KLACHTENREGELING

It is possible that you have a complaint about the care provided. I would be grateful if you could discuss this directly with me. If you do not like this for any reason, it is also possible to call in an independent complaints officer.

As a CAT Reimbursable therapist, I fall under Wkkgz complaint law and disciplinary law at the Disputes Authority for Alternative Therapists (GAT). GAT is a nationally recognized and fully independent Wkkgz disputes committee. For more information about the complaints procedure, see https://www.gatgeschillen.nl

I work as a CAT therapist according to the guidelines of the GAT professional code. For more information see:
